Notes to the Financial Statements

1. REPORTING ENTITY

The financial report of First Super Pty Ltd for the year ended 30 June 2024 was authorised for issue in accordance with a resolution by the Directors.

First Super Pty Ltd is a small proprietary company incorporated in Australia. The nature of the operations and principal activities of the Company was to act as the Trustee of First Super and to pay various trustee expenses on behalf of the fund.

First Super Pty Ltd is economically dependent on the fund First Super. First Super Pty Ltd is domiciled in Victoria, Australia and its registered office address: Level 1, 165 Bouverie Street, Carlton, Victoria, 3053.

2. BASIS OF PREPARATION

(a) Statement of compliance

The financial report is a general purpose financial report and has been prepared in accordance with the requirements of the Corporations Act 2001, Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board as required by the Company's Registrable Superannuation Entity Licence conditions. The financial statements of the Company also comply with the International Financial Reporting Standards as issued by the International Accounting Standards Board (IASB).

The financial statements were approved by the Directors on 17 September 2024.

(b) Basis of measurement

The financial statements have been prepared on the historical cost basis.

(c) Functional and presentation currency

These financial statements are presented in Australian dollars, which is the Company's functional currency.

(d) Use of estimates and judgements

The preparation of financial statements in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

(e) New accounting standards and interpretations

There were no new accounting standards and interpretations for the year ended 30 June 2024.

(f) New and amended standards not yet adopted by the Company

There are no other standards that are not yet effective and that would be expected to have a material impact on the Company in the current or future reporting periods and on foreseeable transactions.

3. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all years presented in these financial statements.

Receivables

Receivables are recognised initially at fair value and subsequently at amortised cost less a provision for any uncollectible debts. An estimate for doubtful debts is made when collection of an amount is no longer probable. Bad debts are written off when identified. Amounts are generally received within 30 days of being recorded as receivables. Due to the short term nature of these receivables, the carrying amount of these receivables approximate fair value.

9

Notes to the Financial Statements

3. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and cash equivalents

Cash and cash equivalents comprise cash balances. Bank overdrafts that are repayable on demand and form an integral part of the Company's cash management are included as a component of cash and cash equivalents for the purpose of the statement of cash flows.

Trade Payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

Provisions

Provisions are recognised when the economic entity has a legal, equitable or constructive obligation to make a future sacrifice of economic benefits to other entities as a result of past transactions or other past events, it is probable that a future sacrifice of economic benefits will be required and a reliable estimate can be made of the amount of the obligation.

Share Capital

Ordinary share capital is recognised at the fair value of the consideration received by the Company.

Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the Company is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the Company: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

The Company receives revenue from First Super for director and trustee costs incurred in operating the Fund. These are disclosed in Note 6.

Notes to the Financial Statements

3. SIGNIFICANT ACCOUNTING POLICIES (continued)

Income tax

Income tax comprises of current and deferred tax.

Current and deferred tax are recognised in the statement of comprehensive income except to the extent that it relates to items recognised directly in equity or in other comprehensive income. Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years. Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax is not recognised for the following temporary differences: temporary differences on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss, and temporary differences related to investments in subsidiaries and associates and jointly controlled entities to the extent that it is probable that they will not reverse in the foreseeable future.

Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the Statement of Financial Position.

Cash flows are included in the statement of cash flows on a net basis.

18. SUBSEQUENT EVENTS

On 6 September 2024, APRA issued a media release confirming that it had commenced proceedings in the Federal Court of Australia seeking civil penalties and the disqualification of First Super's Co-Chair, Michael O'Connor. Mr O'Connor has voluntarily stepped down from his role as Co-Chair of First Super whilst these proceedings are ongoing. Any additional impacts of this legal action for First Super are currently being considered.

There are no significant events have occurred since the end of the reporting period which would impact on the financial position of the Fund as at 30 June 2024 or on the results and cash flows of the Fund for the year ended on that date.

Directors' Declaration

In the opinion of the directors of First Super Pty Limited ("the Company"):

The financial statements and notes that are set out here-in, and are in accordance with the Corporations Act 2001, including:

(i) giving a true and fair view of the financial position of the Company as at 30 June 2024 and of its performance, for the financial year ended on that date.

(ii) complying with Accounting Standards in Australia and the Corporations Regulations 2001: and

(iii) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

The directors draw attention to Note 2(a) to the financial statements, which includes a statement of compliance with International Financial Reporting Standards.

Signed in accordance with a resolution of the directors.

INDEPENDENT AUDITOR'S REPORT

To the members of First Super Pty Ltd

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of First Super Pty Ltd (the Company), which comprises the statement of financial position as at 30 June 2024, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial report, including material accounting policy information and the directors' declaration.

In our opinion the accompanying financial report of First Super Pty Ltd, is in accordance with the *Corporations Act 2001*, including:

- (i) Giving a true and fair view of the Company's financial position as at 30 June 2024 and of its financial performance for the year ended on that date; and
- (ii) Complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report. We are independent of the Group in accordance with the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for* Professional *Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The directors are responsible for the other information. The other information obtained at the date of this auditor's report is information included in the Directors' report, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (<u>http://www.auasb.gov.au/Home.aspx</u>) at: <u>http://www.auasb.gov.au/auditors_responsibilities/ar3.pdf</u>

This description forms part of our auditor's report.
